

A vibrant space-themed background featuring a dark blue sky filled with yellow stars of various sizes. In the top left, a blue and green Earth is partially visible. In the top right, a green planet with a prominent orange ring is shown. At the bottom center, a dark purple moon with several dark spots is depicted. In the bottom right corner, a blue rocket with a black nose cone and a yellow and orange flame is shown ascending. The central text is contained within a white, cloud-like shape.
